# Hospital & Surgery Benefit

# Vision Benefit Option (Davis Vision Network)

## INPATIENT HOSPITAL STAY

A benefit of \$200 for active members per day will be paid, beginning on the third day and continuing through the 365th day of a hospital confinement. Confinement in a skilled nursing facility does not qualify for this benefit.

## OUTPATIENT SURGERY

A benefit of \$200 for active members per outpatient surgery will be paid when performed in a hospital outpatient department or freestanding Ambulatory Surgical Center. Multiple procedures occurring during a single surgical session qualify for a single \$200 benefit. Surgery performed in a physician's office does not qualify for the benefit.

### Annuitant Up to Age 65

A benefit of \$200 per day will be paid, beginning on the third day and continuing through the 365th day of a hospital confinement.

### Annuitant Age 65 and Over

A benefit of \$150 per day will be paid, beginning on the sixth day and continuing through the 365th day of a hospital confinement. Confinement in a skilled nursing facility does not qualify for this benefit.

A benefit of \$200 (\$150 for age 65 and over) per outpatient surgery will be paid when performed in a hospital outpatient department or freestanding Ambulatory Surgical Center. Multiple procedures occurring during a single surgical session qualify for a single \$200 (\$150 for age 65 and over) benefit. Surgery performed in a physician's office does not qualify for the benefit.

**These benefits are not subject to any waiting periods, and payments will be made directly to the member, to be used in any way they see fit.**

# Exclusions

**Dental Exclusions** - This plan does not cover:

- dental services incurred for the replacement of a full upper or a full lower denture regardless of cause after we have included the charge for such denture(s) at least once in considering benefits under this or a similar dental expense benefit provision
- dental services incurred for relining of dentures
- orthodontic treatment that begins after a covered dependent reaches age 19
- dental services that are not medically necessary or not required in accordance with accepted dental practices
- diagnostic and preventive dental services including, but not limited to, dental examinations, regular and periodontal cleaning, fluoride, x-rays, sealants, and emergency evaluations
- orthodontic services and supplies incurred: (1) during the first 12 calendar months following a new entrant's effective date of coverage under the policy; or (2) during the first 24 calendar months following a late enrollee's effective date of coverage under the policy
- dental services not specifically identified as being covered under the policy
- dental services and supplies for cosmetic treatment, unless necessitated as a result of injuries sustained while the member is covered under the policy
- dental services and supplies provided in connection with the treatment of the temporomandibular joint
- dental services furnished by the U.S. Veterans Administration, except for such services for which under applicable federal law the policy is the primary payor and the U.S. Veterans Administration is the secondary payor
- dental services, including oral surgical services, except as specifically stated above.

**Hospital and Surgery Benefit Exclusions** - This plan does not cover:

- hospital confinement that does not medically require the patient to be hospitalized or surgery not medically necessary, as determined by us
- routine newborn care. Initial hospital and nursery care, per day, for evaluation and management of normal newborn infant
- hospital confinement or surgery services connected with: obesity, weight reduction, or dietetic control care, except for morbid obesity and disease etiology
- reconstructive surgery, except for such surgery required: (1) to repair a significant defect caused by an injury; (2) to repair a defect caused by congenital anomaly causing a functional impairment of a dependent child; (3) incidental to a mastectomy; or (4) due to an illness
- eye refractive surgery
- hospital confinement or surgery services in connection with care for, or leading to, sexual transformation
- reversal of sterilization

**General Information** - This brochure is only a general outline of benefits, limitations, and exclusions. You can find a more detailed description of coverage in the applicable certificate of insurance. A certificate will be issued to each employee who becomes insured under the plan.

The words "charge" and "charges" as used in this brochure mean an amount we determine as reasonable, considering factors such as the amount providers charge for similar services and supplies provided in the same geographic area.

Coverage is subject to all terms and conditions of the policy, which is your contract of insurance. The policy consists of the group master policy, including the application and all policy riders and endorsements.
